Making connections in Mathematics K–2

Syllabus concepts are often interrelated or their development may be interdependent. These connections are suggested and not an exhaustive list.

This **Early Stage 1** content can be addressed in parallel with:

	Representing whole numbers	Combining and separating quantities	Forming groups	Geometric measure (Position)	Geometric measure (Length)	2D spatial structure (2D shapes)	2D spatial structure (Area)	3D spatial structure (3D objects)	3D spatial structure (Volume)	Non-spatial measure (Mass)	Non-spatial measure (Time)	Data
Representing whole numbers					✓						✓	✓
Combining and separating quantities												
Forming groups						✓						
Geometric measure (Position)								✓				
Geometric measure (Length)	✓											
2D spatial structure (2D shapes)			✓				✓					
2D spatial structure (Area)						✓						
3D spatial structure (3D objects)				✓					✓	✓		
3D spatial structure (Volume)								✓				
Non-spatial measure (Mass)								✓				
Non-spatial measure (Time)	✓											
Data	✓
