

Course completion, non-completion and appeals

Overview of clarifications

This information sheet helps schools understand the clarifications in this group of ACE Rules, but schools must view the rules on the NSW Curriculum website.

NESA has not changed its requirements for **course completion, non-completion and appeals.**

All current ACE rules concerning course completion, non-completion and appeals have been transferred to the NSW Curriculum website without change to content. Schools should continue to follow their existing processes for course completion, non-completion and appeals until NESA publishes clarified requirements.
